Sorry, for the second email. I read that too fast. I suppose it could be delegated to someone at HQ in water too?

Hmmm...delegation memo. Interesting. Is that a write up that says you allow the region to respond to petition to HQ?

FYI, in case I forget to mention in one of our chats, Sara has a check-in with Mike this Thursday (she's filling in while Betsy S is out) so I suggested it might be a good time for her to raise the timing of this petition response (as well as the FL one which we probably need to do even sooner). I didn't realize the thing about getting a delegation memo...that will be fun!
